Re: 2026-2027 Dream Together Master Programme – Seoul National University

Dear Colleagues,

Since 2015, ANOC has greatly valued its partnership with Seoul National University, through which ANOC has successfully nominated approximately 50 students from NOCs to participate in the prestigious Dream Together Master Programme.

Seoul National University has now extended this opportunity further, enabling ANOC to nominate applicants from your NOC. The programme is offered as a partial scholarship, whereby Seoul National University will cover tuition fees, while participants are responsible for other related expenses.

In accordance with our agreement with Seoul National University, ANOC is pleased to open the nomination process for the 2026-2027 intake for NOCs. This year, we will have the opportunity to nominate 10 sports administrators who will significantly benefit from the academic and international experience. Administrators, holding a higher education qualification (Bachelor's degree or higher) and English proficiency are eligible to apply.

The Dream Together Master is operated within the Global Sport Management Graduate Programme at Seoul National University. Scheduled to run from late August 2026 to June 2028, participants will spend 17 months in the Republic of Korea until December 2027, followed by 6 months dedicated to thesis work in their home countries.

All required application documents, as outlined in the checklist, must be submitted **via email only to ANOC no later than 15th March 2026.** Please note that applications submitted directly to the University will not be considered for ANOC scholarships. We kindly ask you to respect the application deadline as late submissions will not be accepted.

Following the application deadline in March, ANOC will announce the nominated candidates for the programme. Selected applicants must then submit hard copies of their documents directly to the University and complete the selection process with an interview with the University.

The ANOC Office remains at your disposal should you require any further information regarding this scholarship programme.

With my best regards,

Gunilla Lindberg
ANOC Secretary General
